ABOUT US

To us, charity is beautiful and is always in fashion. Decorate & Donate was launched by Rima Khayat Sidani in 2015 out of the passion and motivation to financially assist Lebanese families struggling to survive. We began by organizing fundraising workshops and cultural events and then unveiled our first collection of handmade accessories in 2016. Today %100 of the funds we raise and %100 of the proceeds from our accessories go directly to supporting families and covering tuition fees.

WHAT WE DO

We bring color and hope to people's lives by creating and selling eye-catching accessories designed in-house or by up-and-coming Lebanese designers. Each item is lovingly handcrafted by our local artisans. These talented women come from underprivileged backgrounds and we give them the opportunity to thrive. To add more beauty to the world, we also organize cultural events that empower the community and raise funds. All the proceeds from every single thing we do go straight to families and students in need.

**WE ARE OUR MISSION. WE ARE OUR CAUSE.
A CHARITY WOVEN BY THE DRIVE TO HELP UNDERPRIVILEGED FAMILIES,
DECORATE & DONATE AIMS TO:**

1 Support those in need.

2 Ensure disadvantaged kids and youths have access to a high quality education by helping to cover their tuition fees.

3 Empower underprivileged women by training them as artisans and providing them with the choice to work at home or at our atelier.

4 Encourage local artisans.

5 Promote Lebanese design and handmade crafts.
